Safer Neighbourhood policing – “What does it mean and what do they do?” Safer Neighbourhood Teams (SNT’s) were introduced in every ward in London in April 2006. The idea is “Local officers, policing a local area and dealing with its’ residents and the problems that directly concern them” Every SNT is made up of 1 Sergeant, 2 Police Constables and 3 Community Support Officers.

There are alternative ways of reporting low-level crime to the police that may avoid you having to queue at a police station. Visit www.met.police.uk and see the link for self-reporting crime over the internet. It’s quick and easy and you will immediately receive a Home Office reference number.

FULLWELL CRIME FOR NOVEMBER 2009

During November there have been a total of 93 reports made to the police in relation to crime within Fullwell Ward.

There has been an increase in Residential Burglaries in the run up to Christmas. The preferred method used is either forcing front door or smashing rear patio / kitchen doors.

Fullwell SNT officers in conjunction with other units are carrying out operations within the ward in an attempt to arrest or deter those responsible.

(SEE ARTICLE ON REAR FOR ADVICE)

There have been 17 people caught by police in possession of Cannabis.

3 vehicles were stolen.

ANPR OPERATIONS

Fullwell, Fairlop and Hainault wards have combined forces in order to police the annual festive burglary increase.

Automatic Number Plate Reading machines are being utilised across the borough.

These machines will be deployed at varying locations, days and times in an attempt to assist officers in the capture of those criminals intent on committing crime within Redbridge.

BURGLARY

There is always an increase in Burglaries during the Christmas period as it is known that there are gifts within the house.

Don't let yourself and your family become victims.

FIVE STEPS TO CONSIDER

1) Double lock UPVC door.

Lifting the handle alone does NOT secure the front door – 50% of Redbridge burglaries were through an insecure / unlocked front door).

2) Secure your car keys

25% of high value cars stolen of driveways are as a result of burglary

3) Check Identification

All reputable callers at your door will carry I.D Cards – check them!

4) Use a door chain

Do not let ANYONE into your home without good reason – use a chain when opening your door

5) Report it

If you see anyone acting suspiciously then contact police either via 999 or using the Non Emergency number

0300 123 1212
