Safer Neighbourhood policing – “What does it mean and what do they do?” Safer Neighbourhood Teams (SNT’s) were introduced in every ward in London in April 2006. The idea is “Local officers, policing a local area and dealing with its’ residents and the problems that directly concern them” Every SNT is made up of 1 Sergeant, 2 Police Constables and 3 Community Support Officers.

There are alternative ways of reporting low-level crime to the police that may avoid you having to queue at a police station. Visit www.met.police.uk and see the link for self-reporting crime over the internet. It’s quick and easy and you will immediately receive a Home Office reference number.

BURGLARY

“What YOU can do to help yourselves”

1) Double lock UPVC door.

Lifting the handle alone does NOT secure the front door – 50% of Redbridge burglaries were through an insecure door).

2) Secure your car keys

(25% of high value cars stolen of driveways are as a result of burglary)

3) Check Identification

(All reputable callers at your door will carry I.D Cards)

4) Use a door chain

(Do not let ANYONE into your home without good reason – use a chain when opening your door)

5) Report it

If you see anyone acting suspiciously then call the police either via **999 or using the Non Emergency number **0300 123 1212****
