News from your local policing team

October 2011

FULLWELL SNT OFFICERS COMMENDED

Pc's Adrian Towler and Justin Nicholson-Wisbey were recently commended for their work by the Redbridge Borough Commander in relation to an incident whereby Two (2) males were stopped and arrested in Forest Road after being found in possession of a hand gun and balaclava.

CHRISTMAS IS COMING!

Fullwell Ward Panel recently met with police in order to discuss current priorities and the future policing of Fullwell Ward. It was decided that the High Street (Barkingside) was to become the policing focus on the run up to Christmas. SNT officers will therefore be patrolling the High Street in order to tackle crime and anti social behaviour.

BURGLARY

During the month of September Fullwell Ward suffered with 5 residential burglaries and 4 attempts (no access was gained).

This dramatic fall in burglary is as a direct result of targeted policing by SNT officers in conjunction with other enforcement units. We have arranged and conducted proactive policing operations working hand in hand with Essex Police in order to achieve this. We are continually providing residents with appropriate crime prevention advice and have arranged local initiatives in order to distribute literature and associated items. We would also like to thank the members of the local neighbourhood watch schemes whose members continue to provide both excellent and useful information to police.

ARRESTS + OTHER MATTERS

Police Officers from Fullwell SNT have arrested 3 people during the month of September for offences such as Arson, Possession of Drugs and assault.

We have also issued 10 people with official warnings in relation to their possession of Cannabis. A further 6 people committing various offences were issued with penalty notices for £200.00, £80.00 and £30.00. We are continuing to stop, and where able Search those persons we believe are within Fullwell Ward intending to commit crime.

OLDER PEOPLES DAY

On the 27th of September, Fullwell SNT officers attended Fullwell Cross Library in order to take part in "Older Peoples Week". Officers spent 4hrs at the location, met with those who attended, provided crime prevention advice, and distributed low energy light bulbs, purse security lanyards and personal safety leaflets.

THEFT FROM MOTOR-VEHICLES

We are still suffering with thefts of property left "on show" or within motor-vehicles.

REMOVE ALL PERSONAL PROPERTY FROM WITHIN YOUR VEHICLE. DO NOT HIDE IT WITHIN THE VEHICLE AS WE HAVE EVIDENCE FROM RECENT REPORTED THEFTS TO SUGGEST PEOPLE INTENT ON STEALING YOUR PROPERTY ARE WATCHING YOUR ACTIONS WHEN PARKING.
